This's a lucky target tour for Birding Ecotour, Chuck Holiday wished to complete his "Family" list, the final two ~ **Malaysian Rail Babbler and Crested Shrikejay** so Sarawak Borneo is the best place for him, though Northern Sarawak is good for these two species and other specialties but the hike would be a little bit challenge at his age, so we planned the tour to Borneo Highlands and Kubah National Park in Kuching for him.

He was blessed with superb luck, beside the 2 target birds showed up nicely for him, we also had some other good lifers for him, namely the **Blue-banded Pitta, Bornean Frogmouth, Bornean Banded Kingfisher, Bornean Blue Flycatcher, Dayak Blue Flycatcher, Bornean Barbet, Mountain Serpent Eagle, Pygmy Heleia, Oriental Bay Owl, Barred Eagle Owl, Thick-billed Flowerpecker, Eyebrowed Wren-babbler, White-crowned Hornbill, Rufous-collared Kingfisher, Scaly-breasted Bulbul, Grey-bellied Bulbul, Maroon-breasted Philentoma, Red-bearded Bee-eater, Green Broadbill, Grey-breasted Spiderhunter, Chestnut-naped Forktail, Scarlet-breasted Flowerpecker and Hume's White-eye**, to name a few..
