Catalina joined a 6 days 5 nights Sabah Bird photography tour in May 2019, after she got the lovely Black-headed Pitta she wanted to come back for other endemic Pittas, so she organised a 16 days 15 nights Sabah and Sarawak tour with friends in March 2023.

But before that she wished to have a Blue-banded Pitta as a pre Christmas present, (She described this reddish bird wearing like Santa Claus) then she made a half day trip to Sarawak and lucky enough the Pitta was around and we managed to get it within an hour. Bingo!!

We look forward to serving her group in March 2023.
